Authorized to work in Canada: Post-Graduation Work Permit (PGWP) valid through June 2029, no sponsorship required. Relocating September 2026, open to anywhere in Canada. Eligible for the Atlantic Immigration Program (International Graduate stream). IELTS General CLB 10.

Gameplay programmer with AAA co-op experience at Ubisoft Halifax: Unity/C#, camera systems, behavior-tree artificial intelligence, and custom tooling. Ships personal games and graphics demos in C++ (Vulkan, OpenGL). Computer Science graduate, Dalhousie University (GPA 3.92).

EXPERIENCE

Ubisoft Halifax

Halifax, NS, Canada

Gameplay Programmer (Co-op)

Apr to Aug 2024

- Modified character artificial intelligence via behavior trees to align character behavior with game-design directives.
- Expanded a unit-targeting system to compute distances using NavMesh path distance and hex-grid tiles.
- Created a new playable character end-to-end: authored art assets in Maya and integrated them with existing systems (stats, animations, moves, abilities).
- Authored in-engine debug tools for the hex-grid tile and camera systems, accelerating analysis and iteration; fixed camera-clipping issues.
- Fixed numerous bugs and built workarounds for broken dependencies to keep a milestone Game Loop Prototype demo-ready; integrated UI to match the target aesthetic.

Teams Squared

Colombo, Sri Lanka

IT Systems and Cybersecurity Lead

Mar 2026 to Present

- Build and maintain internal production software (full-stack TypeScript and Python) and lead IT systems and security for a globally distributed team.

SELECTED PROJECTS

- **Published games and demos (personal):** Ammo = Life (portfolio demo that earned my Ubisoft Halifax co-op), Vulkan Graphics Demo, OpenGL Flight Simulator; playable at akilf.itch.io.
- **Cross-platform 3D scene (Ubisoft Halifax co-op, title under NDA):** Blender modeling, rigging, and animation rendered via Three.js and packaged with Capacitor into an Android APK; built with another co-op in my cohort.

EDUCATION

Dalhousie University

Halifax, NS, Canada

BSc Computer Science (Co-op), GPA 3.92

Oct 2025

Undergraduate Certificates: Communications Technology and Cyber Security; Web and Mobile Development.

Honours: Sexton Scholar, Dean's List (multiple terms), Dalhousie In-Course Scholarship (2025).

CERTIFICATIONS

Microsoft Certified: Identity and Access Administrator Associate (SC-300), earned July 2026. Credential ID DD1C87A88D7AB6D0.

SKILLS

Engines & languages: C# · Unity · C++ · Godot

Graphics: Vulkan · OpenGL · Three.js · Linear algebra and 3D math

Gameplay systems: Cinemachine · NavMesh · Behavior trees · Gameplay and camera systems · Hex-grid systems

Content & tools: Maya · Blender · Debug tooling · Git
